

ROLE MODELS

PARITY TALKS III

This year, the Parity Talks are framed as a platform to address gender as a meta-topic. Exploring both careers and works-in-progress of outstanding architects (teachers, researchers, doctoral students and practitioners), the Parity Talks look into showing work – any work – as the best argument for parity and diversity.

8. MÄRZ / MARCH 2018, 9:00, ETH Hönggerberg, Rote Hölle, HIL E67

PROGRAM:

- 09.00h Welcome by the Dean, Philip Ursprung, Romila Storjohann (Equal!), and Charlotte Malterre-Barthes for the Parity Group.
